

**Face Coverings are *required* for all participants indoors when youth are present**

**Face Coverings are *recommended* for unvaccinated individuals when social distancing is not possible outdoors**

## Summer Camp Operations:

Units attending camp as a unit will be treated as a household and will not be required to practice social distancing or wear face coverings (unless indoors)

In situations where multiple units are participating in a single program\* together, all participants will be required to practice social distancing with those outside their unit.

\*examples include: merit badge classes, campwide assemblies, campfires, free time

## Remember Clean Hands:

Wash or sanitize your hands frequently & especially:

- After using the restroom
- After you touch your face covering
- Before you eat or prepare food
- After you handle shared equipment
